

AEROTHOR - Extra Strong, Extra Fast!

The PROFESSIONAL Aerosol solution for crawling insect pests with very powerful Flush and Kill effect!

Aerothor contains two active ingredients for both rapid knockdown and rapid kill of crawling insect pests in a safe and effective manner.

Aerothor also provides residual protection. Aerothor is a pyrethroid insecticide. This means it is modeled on pyrethrum, a natural extract of the pyrethrum daisy. Aerothor was developed and formulated specifically for professional treatments.

Aerothor provides excellent results in the control of Bed Bugs with its superb flush out and knock down effect. Make it a part of your arsenal against bed bugs today!
